

Parcourez pour la première fois le nouvel anneau de vitesse de Lommel... à vélo

Berchem-Sainte-Agathe, le 28 avril 2023 – Le dimanche 28 mai, aura lieu comme chaque année la « Journée Vélo » du Ford Lommel Proving Ground. Fidèle à la tradition, le dimanche de Pentecôte, les prototypes Ford cèderont la place aux cyclistes et aux rollers, qui auront ainsi l'occasion de découvrir une partie des 105 km de pistes d'essai de la marque.

Pour la première fois, les 10 à 15.000 adeptes de l'évènement annuel auront l'opportunité de parcourir le nouvel anneau de vitesse, en service depuis quelques mois seulement.

Informations pratiques sur la Journée Vélo :

About Ford Motor Company

Ford Motor Company (NYSE: F) is a global company based in Dearborn, Michigan, committed to helping build a better world, where every person is free to move and pursue their dreams. The company's Ford+ plan for growth and value creation combines existing strengths, new capabilities and always-on relationships with customers to enrich experiences for customers and deepen their loyalty. Ford develops and delivers innovative, must-have Ford trucks, sport utility vehicles, commercial vans and cars and Lincoln luxury vehicles, along with connected services. The company does that through three customer-centered business segments: Ford Blue, engineering iconic gas-powered and hybrid vehicles; Ford Model e, inventing breakthrough EVs along with embedded software that defines exceptional digital experiences for all customers; and Ford Pro, helping commercial customers transform and expand their businesses with vehicles and services tailored to their needs. Additionally, Ford is pursuing mobility solutions through Ford Next, and provides financial services through Ford Motor Credit Company. Ford employs about 173,000 people worldwide. More information about the company and its products and services is available at corporate.ford.com.

Ford, a global American brand woven into the fabric of Europe for more than 100 years, is committed to freedom of movement that goes hand-in-hand with looking after the planet and each other. The company's Ford+ plan, with Model e, Ford Pro and the Ford Blue business units is accelerating its European transformation to an all-electric and carbon neutral future by 2035. The company is driving forward with bold, new EVs, each one designed with European drivers in mind and innovating with services to help people connect, communities grow, and businesses thrive. Selling and servicing Ford vehicles in 50 individual European markets, operations also include the Ford Motor Credit Company, Ford Customer Service Division and 14 manufacturing facilities (eight wholly owned and six unconsolidated joint venture facilities) with four centres based in Cologne, Germany; Valencia, Spain and at our joint venture in Craiova, Romania and Kocaeli, Türkiye. Ford employs approximately 34,000 people at its wholly owned facilities and consolidated joint ventures and approximately 54,000 people including unconsolidated businesses across Europe. More information about the company, its products and Ford Credit is available at corporate.ford.com.
